April 2006

PRESIDENT'S MESSAGE

Well we are nearing the end of the business year, and the fun is just starting. CRC and Past Presidents Night are both just around the corner. I hope the light at the end of the tunnel isn't a train heading my way. I guess we will know in a month or two.

I would like to take the opportunity to thank Mr. Mike Wolf from Greenheck Fan Corporation for his presentation on "Energy Recovery Systems - Applications and Specifications". I would like to thank all of the members and guests which were in attendance. The next meeting will be held prior to the ASHRAE Satellite Broadcast on Sustainability and the Building Environment April 19, 2006 at starting promptly at 11:30 with the broadcast starting at 12:00. I would like to take this time to thank Storer Equipment Company for allowing us to use their facility for this broadcast. And a special thanks to Roger Stanley for helping on the arrangements for lunch. Please make sure to fax or call in your reservations. Space is limited.

Well, it's time for CRC-Cancun Style. The CRC will be held April 27-29, 2006 and hosted by Mexico City Chapter and others. I will give everyone a report on the great time they missed when I return.

I hope to see everyone at the broadcast.

Elmer Tingler
President

CRC 2006 DESTINATION: CANCÚN, MÉXICO

GET READY FOR APRIL 27, 28 & 29, 2006

Region VIII's Chapter Regional Conference (CRC) will be held on April 27 – 29th. This will be the chapter's opportunity to bring forth motions that they wish considered by ASHRAE as well as the conducting of Regional business. Activities include the General Business Meeting on Friday and Saturday. Technical Seminars will be held Friday afternoon and Saturday morning. Saturday will be leadership and development workshops for chapter members and chairs. We will be selecting the Regional Vice-Chairs for Membership Promotion and Student Activities.

To find out more visit Mexico City's website at www.ashraecondmexico.org.

Fun activities include Golf and Fishing on Thursday morning. Spouses and companions have activities planned for a tour of Tulum / Xel-ha, a cooking class and other activities.

This will be Region VIII's first CRC in Mexico with many more in the future. Please make plans to attend and come enjoy the warm hospitality that the Mexico City Chapter is preparing for us.

Please, see the attached file in your email for more information and schedules.

ASHRAE BOG Meeting Minutes

4-12-06

In Attendance: Roger Stanley, Elmer Tingler, Dee Nooner, Matt Berry, Kurt Lyles, Mike Middleton, Nathan Wilemon, Gary Patrick.

Elmer is finalizing information that is to be taken to CRC.

Roger Stanley – Discussed ASHRAE Broadcast coming up on April 19. Have a bout 15 signed up at this point. Signup sheet will also be in Flue Pipe.

Nathan Wilemon – May meeting (Past Presidents Meeting) will be held on May 25th as Savoie's. Discussed menu and meeting format. Nominations for all positions except Secretary have been filled. Still looking for viable candidates for Secretary.

Kurt Lyles – Shreveport CRC Location still between Shreveport Convention Center and Sam's Town.

Mike Middleton – Web site will be up to date in few days.

Matt Berry – Finalizing time for next student chapter meeting.

Gary Patrick – Finances are good. Investments are back up above their original value. Getting in last golf tourney monies.

Dee Nooner – History is still happening...

Meeting Adjourned.

A BACKWARD GLANCE

By Dee Nooner

It has been almost a month since John Thomas Emmons left us; time enough to miss him, time enough to know the sadness that comes when one more of our friends and business acquaintances passes away.

Much can be said about John and the full life that he led, but what speaks loudest about the life of John Emmons is how he lived his life after he found out he had cancer. He never let it get him down, never let it make him feel that he had been dealt a bad hand in life. John always accepted things for what they were and always felt that he had been blessed with many good things in his life. Here are but a few of them:

He was born May 19, 1941 In Pleasant Hill, LA. He moved at an early age to Shreveport and lived here for more than 60 years. He went to Fair Park High School and lettered in football for three years (he was very proud of that.) He worked for the H.G. Angle Company for many years, had his own business for a number of years, and ended his career working for Berg Service (he was in the HVAC business all of his life.)

John was a man full of life and he truly enjoyed making others happy. John really liked to cook and he really liked to fish. He was really "doing his thing" when he was cooking fish that he had just helped to catch for his friends (John really prided himself on his gumbo too; the man could cook gumbo!)

John left his wife of 46 years, Connie, and a large family of brothers, sisters, cousins, and friends. He also left many of us in the HVAC industry with many memories, many good times, and many happy times. (John liked to laugh and joke and enjoyed having others around to share the fun.)

Goodbye John. Everyone will miss you, but you will be remembered. Oh, how you will be remembered.

ASHRAE Satellite Broadcast

SUSTAINABILITY AND THE BUILDING ENVIRONMENT
