Shreveport Chapter

MAY 2000

PRESIDENT'S MESSAGE

It's hard to believe my year as chapter president has come to an end! It has been a busy year and one that has seen many accomplishments. I want to sincerely thank all of the officers and committee chairs for the outstanding effort and dedication it took to achieve the goals we set last summer.

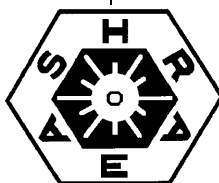

As we prepare to leave for the Chapter's Regional Conference (CRC) in Austin, TX, we can be proud to represent the Shreveport Chapter. Some of the highlights of this past year are:

- We held our first noontime meeting
- Shreveport Mayor, Keith Hightower addressed our December meeting
- Society President Elect, Jim Wolf, visited us in January
- We initiated the Jack Jordan Scholarship Fund
- We signed up 38 new student members at our LA Tech Student Chapter
- Our students submitted two entries in the ASHRAE design competition
- We have started the ASHRAE golf tournament (weather permitting) to benefit ASHRAE research
- We have exceeded our research promotion goal
- And meeting attendance is up 15% over last year
- There are many other accomplishments too numerous to mention in this column.

Please join me in wishing the best of success to Kurt and all the officers and committee chairs for next year. Please get involved to help make our chapter the best it can be!

Sincerely

Rusty Tucker
Chapter President.
